No Lucy Liu Here

Lucy Liu wasn't there. And no one performed kung fu. But that didn't stop the Asian American Theater Company as it celebrated 30 years of life and times on Feb. 27 at San Francisco's Herbst Theater. David Henry Hwang, Philip Kan Gotanda, Amy Hill and Danny Glover mingled with donors donning "I'm Not Lucy Liu" and "I Don't Do Kung Fu!" black tees in a campaign to raise \$60,000 by July.
